

## Quarrymen Bring the Dynamite

by Katie "Flapjack" Baer (Photographs by Brennan "Sketch" Probst)

Last Saturday the Salmon hosted the Lemont Quarrymen at the Historic Methodist Campground for two seven-inning matches, the last home games of the season. The first of two close matches started with solid back and forth from both clubs, as well as several exciting run-downs, with Iron Jaw making two defensive outs at second, instead of being tagged out himself for once! The play of the day, though, came from Zeus as pitcher at the top of the seventh, who took a line drive straight to the chest and valiantly held on to the ball to make the out. He returned fire with a solid line drive to center field at the top of the seventh, but despite that and several other nice Salmon hits, including a corker by Barber in the third and one by Nickels in the fourth, the home club wasn't able to tally up enough aces for the win.

The second match started with a bang, with the Salmon tallying five aces thanks to many good singles paired with good running. Razor kept the Quarrymen at bay with two great outs in right field in the first, and then Strings made a quick three hands all on his own at left field in the third. The Salmon lead increased in the fourth thanks to a GusBus double followed by a slew of hits and RBIs. Unfortunately as notekeeper Mama Bear (Flapjack and Strings' mom) observed, the fifth was "one of those innings..." and the Quarrymen blasted their way into the lead. The score remained the same for the sixth, and the Salmon managed a rally in the seventh, with three RBIs in a row, but fell two aces short of victory.

Following the matches both clubs met as friends to enjoy a delicious meal prepared by Boss Lady. Many thanks to the Quarrymen, Boss Lady, the spectators, and to the Historic Methodist Campground for continuing to serve as our home field. Hurrah!
