

## Salmon Split in Springfield

by Katie "Flapjack" Baer (Photographs by Brennan "Sketch" Probst)

At the invitation of the Springfield Long Nine, the Salmon returned to the state capital on Sunday for two seven-inning matches. Both clubs filled out their rosters with members of the Daniels Dynasty, as well as the Rock Springs Ground Squirrels.

The first match started off with Nickels striking a corker over brother Korn's head in left, earning a double, to which crowd members cheered: "he burned the Korn!" The Long Nine tied up the score at the bottom of the inning, but were held at one, thanks in part to a one-handed catch through a tree by catcher Flapjack. The Salmon took the lead in the third thanks to spirited running by Nickels, as well as his brick wall defense in left field. The Long Nine took the lead in the fourth, but a solo double play by Pipes kept them from getting too far ahead. The Salmon were seeing double in the fifth and seventh with a pair of doubles by Pig that brought home Nickels and Sketch both times, earning the Salmon a victory.

Bringing a whole new meaning to the term Family Feud, the second match saw the clubs switch Daniels. The Salmon took the lead in the first thanks to some nice running. In the second, Zeus made the play of the game, fielding a line drive hit straight at him that would send lesser men crying to the IL. The Salmon held on to the lead through the third, with Korn, now a Salmon, making a double play as rover. The Long Nine caught up in the fifth, and took the lead in the sixth. Despite a great throw by Rube as catcher for an out at first, followed by another double play, the Salmon were unable to regain the lead, and victory went to the Long Nine.

Following the matches both clubs met as friends at the Pig and Rube estate to enjoy a delicious meal prepared by Boss Lady. Many thanks to the Long Nine, Grounds Squirrels, and Rarely Incorrect for umpiring!
